FOREVER IN TIME

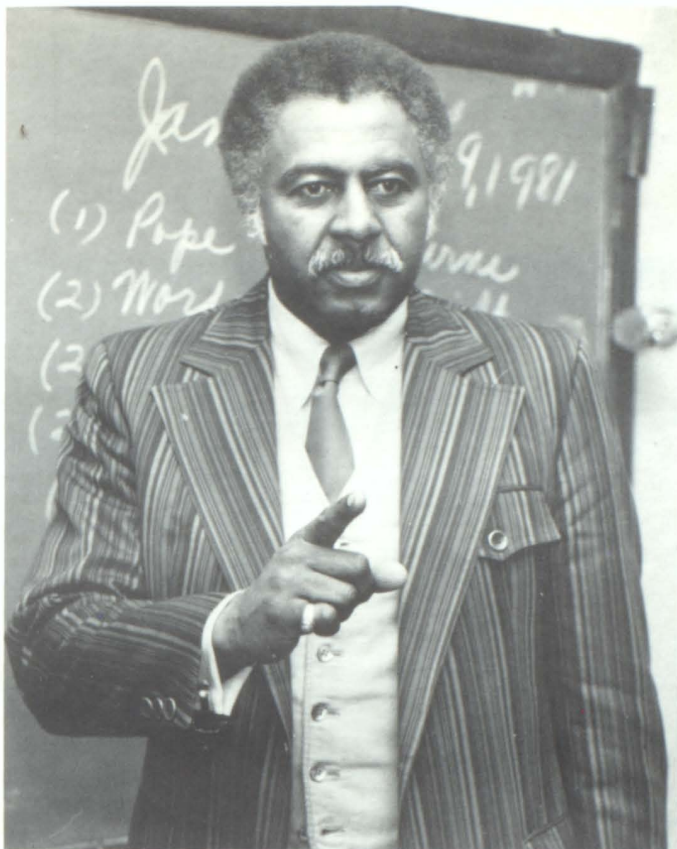

Now that our days have come to a quiet close,
Leaving an empty ache that follows when time goes,
Reminiscing about our times of joy and pain,
And wondering if things will ever remain the same.

Through the years of learning
We searched for things we can't define.
We knew that our time was ending,
And we tried to capture the times of our lives.

Some of us reach for the stars
We dream of a dream and long to go far.
But somehow we all know our future plan
And divided I'm sure we will all stand.

We know we can never recapture our special times
Of love and peace of mind,
But we can continue to take each other
Forever in time.

Paula Dunn

Senior Class Advisor

Mr. Wilson

The senior class of 1981 shall be forever indebted to Mr. Wilson for his guidance and dedication. As class advisor for the past two years, he has backed us up in many fund raising events and has given us the chance to enjoy our last year at Arts High. Mr. Wilson has inspired us to reach for our goals and never settle for anything less. Mr. Wilson will always hold a special place in the hearts of the seniors of the class of 1981.

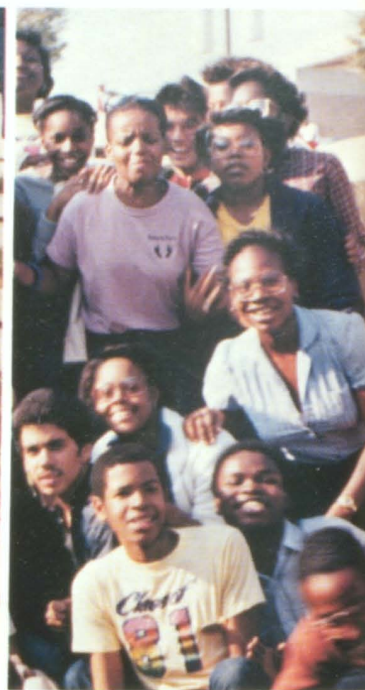

Mrs. Mary Venskus

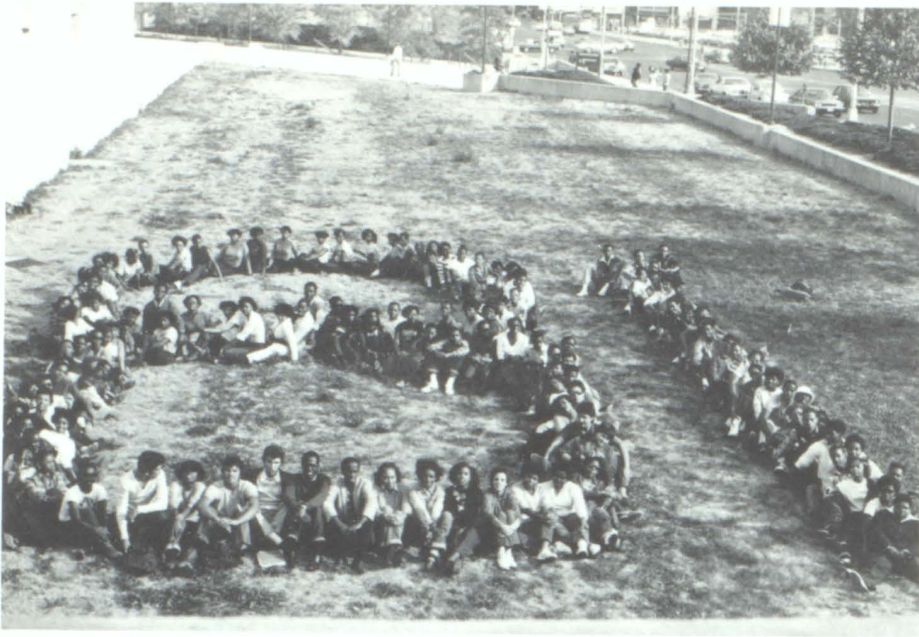

Mr. Joseph Palestina

Through our years at Arts High, Mrs. Venskus and Mr. Palestina have become very close to the students. They have enriched our lives with their kindness and concern about our future endeavors. We thank them and we shall miss them.

ACTIVITIES

Original Costumes Worn on Halloween

Halloween is a time of masquerading costumes for fun and that's just what the Seniors of 1981 did. We displayed our costumes in a bugged out, yet orderly manner. During the lunch periods, we had a memorable disco in the gym. When not parading down the halls, a fashion show was held in the auditorium. This hilarious day will always be treasured in the minds of the seniors.

The Winter Fair consisted of many activities. Many students put forth great efforts in making this affair a success. The art department sold many calendars and other original art. Students also drew portraits and many dressed up in hilarious costumes for souvenir photos. The dynamic sound of the Concert Band made the audience rock. The Mass Chorus also performed admirably. Thanks to all involved in making this a Winter Fair to be remembered.

Drama classes have exciting year

Mr. Bailey Davis, a first year teacher at Arts High, has really made his presence known this year. The Drama III students staged "Make a Joyful Noise" in February, 1981 with wonderful results.

The culmination of acting, speech and movement training will be a dramatic presentation of Lillian Hellman's "Children's Hour". The drama majors also plan to present the musical "Guys and Dolls" in the spring. Thank you Mr. Davis and the drama students for an exciting year.

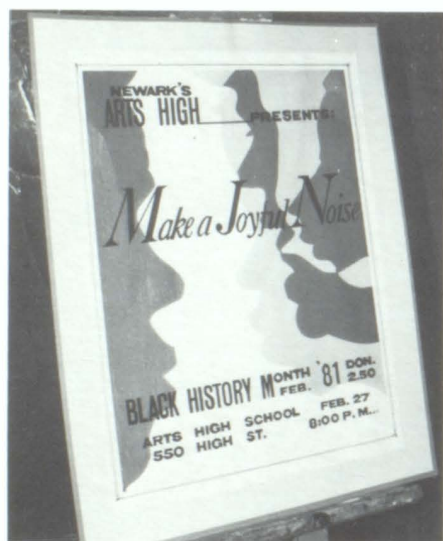

"I Love A Mystery" commands attention

Mrs. Jacqueline Levinson's Drama II students have perfected their acting skills to such a point that they were able to command the attention of adult and student audiences alike.

Their skills were evident in their presentation of "I Love a Mystery" in March, 1981. The sets, lighting, and staging were outstanding. Mrs. Levinson and the drama students should be congratulated for a job well done.

SPORTS

Cross Country Team On The Run!

The Cross Country Team has participated in many events and has become very successful. Coach Marcus has done a superb job with the members. Seniors Wayne Leggett, Anthony Davis, Ted Boler, and Dwayne Jenkins were outstanding runners.

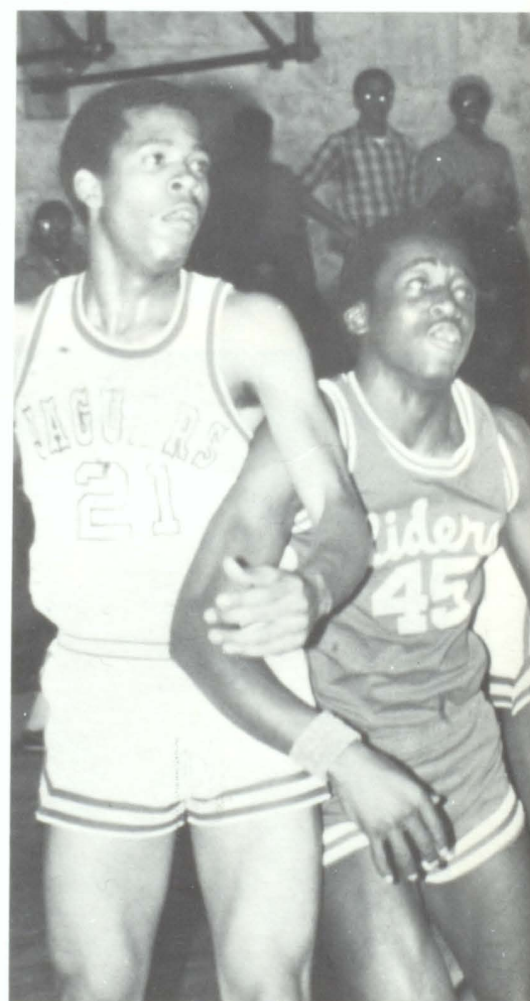

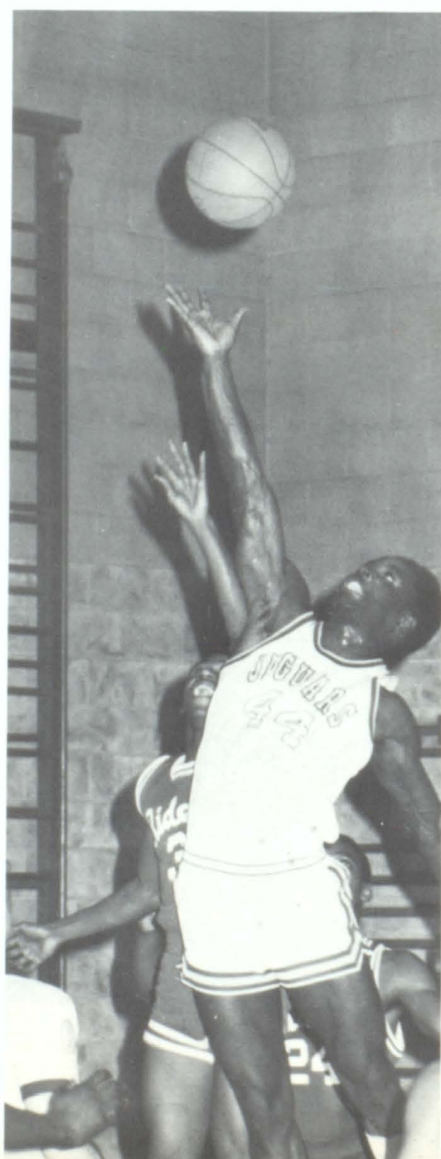

Soccer Team Has Victorious Season!

The Soccer Team had a victorious season. They defeated Vailsburg, Weequahic and West Side. They finished the season with a record of 7-6. Phillip Gilmore, Jerome Sweet, Anthony Davis, Anthony Wade, Todd Dowdy and Ronnie Marshall were all outstanding senior players. Congratulations!

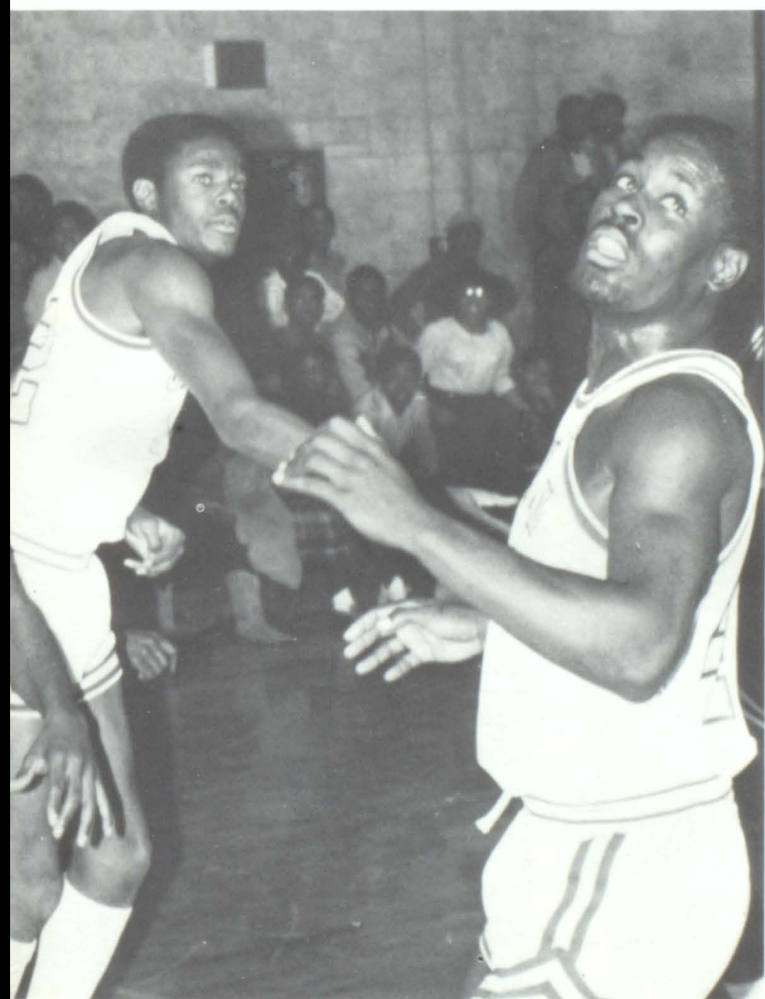

The Arts High Basketball Team finished the regular season with a record of 7-13. The previous season was concluded with 7 wins and 12 losses. These two years produced more victories than the previous four years combined!

They defeated Irvington Tech by a score of 53-50 for the first time in eight years! This was the second consecutive season that the team had a 3-3 record in the Vo-Tech league.

Daryl Swinney was the captain. He obtained a full basketball scholarship to Oglethorpe University in Atlanta. Daryl averaged 17.6 points per game, managing to do this while achieving a class rank of 21.

Boys' Basketball Team finishes with 7-13 record.

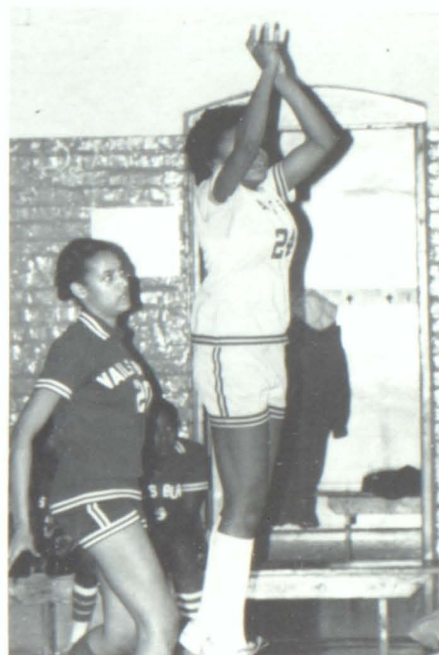

Although the record is somewhat less than impressive, it represents the result of dedication and respect for hard work and good sportsmanship. These players have had to conquer insurmountable odds and conflicts. They worked very hard and learned more than just basketball.

Coach Joe Palestina wishes to express his indebtedness to the team and to thank the cheerleaders and Mr. Elman for their support.

Girls' Basketball Team Gains Confidence.

The Girls' Basketball Team is a strong team which practices long and laboriously every day. Despite their low record of wins, the members have the ability and strong confidence for future success. We wish them well during the 1982 season.

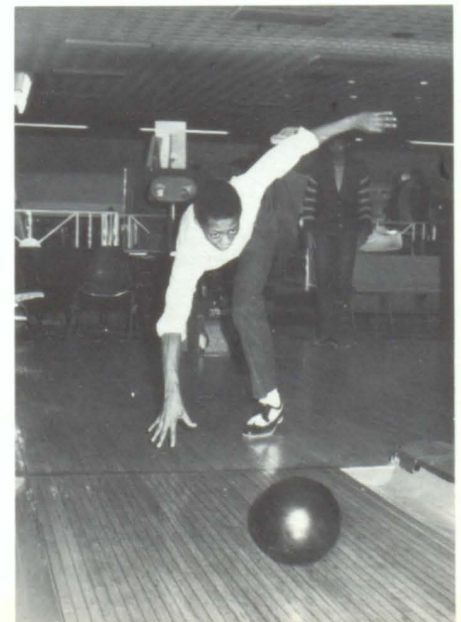

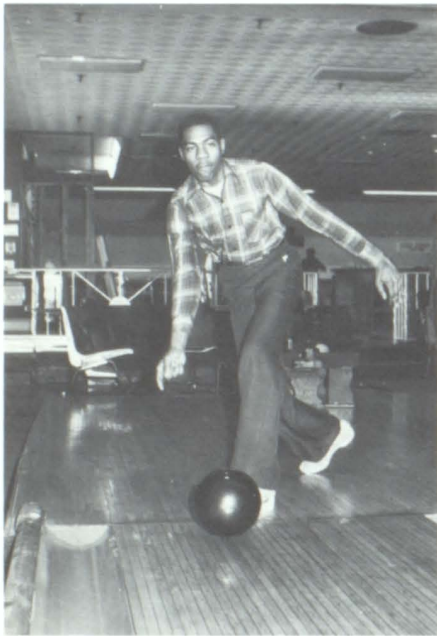

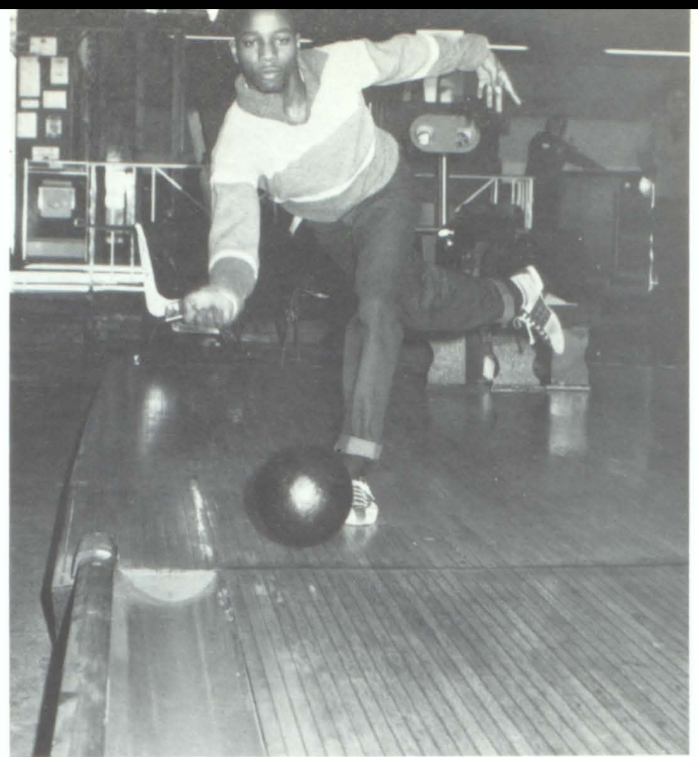

Softball Team Gains Needed Experience

The Arts High Softball Team, coached by Mr. Wilson, won 5 games during the 1980 season. The team gained much needed experience for the upcoming seasons. The outstanding players were Rhonda Tombiling, Cheryl McGuire and Janine Reed. Congratulations to the team, and we're looking forward to an even better season in 1981.

Bowling Team finishes fourth in city

The Bowling Team is comprised of Arts High students who are developing their skills rapidly. The team practices three times a week during the winter season. Coach Wilson and Captain Phil Gilmore along with Co-Captain Arrica Teal have all helped to make the team successful. Phil received the honor of most valuable player for an almost perfect score of 267. Lisa Cook, a freshman, was named rookie of the year with an average of 161. The Bowling Team finished fourth in the city.

Golf Team has 6-4 record

With the able guidance of Mr. Murray, the Golf Team finished the season with a record of six wins and only four losses. This was the best season in quite a few years. FACULTY

Mr. Hilton Otero
Principal

Mr. Otero has always shown us his concern, his kindness and his willingness to help others. Our problems have become his problems, our goals and aspirations have become his interests. The senior class would like to take this opportunity to thank him.

Mr. George Steisel
Vice-Principal

During our stay at Arts, Mr. Steisel has proven to us that he really cares. His guidance and dedication to the school is most appreciated. We thank him for his patience and congeniality.
